---

Our sister publication rAve USA were given an hour with Bob Rushby, CTO of Christie Digital and inventor of the MicroTiles.

If you ever wondered **how these MicroTiles work**, you should watch these videos in this order:

Go [What are MicroTiles?](#)

Go [How do MicroTiles Work?](#)

Go [What can you do with MicroTiles and is it Green?](#)

Go [Christie's own InfoComm display using MicroTiles](#)
