Vogel's Professional offers a complete range of ceiling solutions for small (15") to extra large (65") displays.

Connect-it features modularity: with only a few standard components, you can create a ceiling solution for almost every situation. From basic, single display solutions to more complex, multiple display solutions, with the Connect-it modules you can create multiple display, back-to-back and floor-to-ceiling solutions in minutes.

The display interface is also uniquely modular which creates many possible combinations to fit.

Also available are accessories:

- Padlock; to prevent removal by unauthorized persons
- Pole Coupler; couple element to couple two poles
- White pole and ceiling covers; to customize your ceiling solution
- Girder, H-beam mount and accessory tray
